

ORDINANCE NO. 13, 2020

**AN ORDINANCE AMENDING ARTICLE 17 AND APPENDIX B OF THE  
UNIFIED DEVELOPMENT ORDINANCE OF THE CITY OF VALPARAISO**

WHEREAS, a petition was presented to amend Article 17 and Appendix B of the Unified Development Ordinance (UDO); and

WHEREAS, the Plan Commission duly advertised and held a public hearing on the proposed hearing according to IC 5-3-1 and;

WHEREAS, the general public was given an opportunity to comment on the proposed changes to the ordinance and;

WHEREAS, the Plan Commission voted to recommend the approval of the proposed amendments by a 8-0 vote on August 11, 2020;

NOW, THEREFORE, BE IT ORDAINED by the Common Council of the City of Valparaiso as follows:

1. That Article 17 and Appendix B of the Unified Development Ordinance shall be amended as follows:

SEE ATTACHED EXHIBIT A

This ordinance shall be in full force and effect from and after its adoption and approval by the Mayor.

PASSED by the Common Council of the City of Valparaiso, Indiana, by a 7-0 vote of all members present and voting this 14<sup>th</sup> day of September, 2020.

  
Matt Murphy, Mayor

ATTEST:

  
Holly Taylor, Clerk-Treasurer

Presented by me to the Mayor of the City of Valparaiso, Indiana, this 14<sup>th</sup> day of September, 2020 at 6:00 o'clock p.m.

  
Holly Taylor, Clerk-Treasurer

This Ordinance approved and signed by me this 14<sup>th</sup> day of September, 2020 at 6:00 o'clock p.m.

  
Matt Murphy, Mayor

# Exhibit A

## Sec. 17.202 Methods of Enforcement

---

- A. **Stop Work Order.** The City may post a stop work order for any work not conforming to the requirements of this ordinance. The stop work order may be lifted only after the work has been made to conform with this ordinance or by appeal to the Board of Public Works and Safety. If, after the stop work order has been issued for a period of not less than 10 calendar days and the work is not in compliance with this ordinance, the Board of Public Works and Safety may serve notice of forfeit of any surety provided with the permit.
- B. **Withholding of Permits.** The Building Commissioner may refuse to issue building permits to any applicant who is in violation of this ordinance and has received notification of that violation. The permits may be for sites other than those where the violations have occurred. The Building Commissioner may withhold issuance of the permits until the violations are corrected ~~to the satisfaction of the City Engineer.~~
- C. **Fines for Violation.** In addition to any and all other remedies set forth in this ordinance for a violation thereof, the ~~City Engineer~~ Enforcement Official may, for any violation of this ordinance, levy a fine against the violator(s) of up to \$250 for each occurrence, each day being a separate occurrence. The ~~City Engineer~~ Enforcement Official shall notify the violator(s) of such fine, in writing, on a form approved by the Board of Public Works and Safety. The violator shall pay the levied fine through the Ordinance Violations Bureau. The ~~City Engineer~~ Enforcement Official may levy a fine for each and every day that the violation is continued.
- D. **Revocation of Surety.** In the event that other enforcement remedies listed herein do not cause the correction of the violation(s) the Board of Public Works and Safety, acting on the recommendation of the ~~City Engineer~~ Enforcement Official , may initiate a claim upon any bond or surety posted with the application. The Board of Public Works and Safety may seek recovery of any costs associated with the correction of the violation(s) along with any fines levied and not paid.
- E. **Court Action.** The City may elect, in lieu of the fine set forth above but in addition to all other remedies set forth in this UDO, to seek a fine for such violation in a court of competent jurisdiction in an amount up to the maximum permitted by IC 36-1-3-8.
