

Valparaiso to Host Open House for Sports & Recreation Campus

The City of Valparaiso and Valpo Parks will host an informative Open House to share plans for the new Valpo Sports & Recreation Campus being developed on the city's east side, just east of 49. The walk-through Open House will be 6:00 pm to 7:30 pm on Wednesday, October 12 at Valparaiso City Hall, 166 Lincolnway, Valparaiso, IN 46383.

The Valpo Parks team, City staff and representatives from the project team will share plans and what the community can expect over the next 12-18 months. The event will be an opportunity to learn more and ask questions. Information on the project and others that make up the City's Valpo for All Generations initiative are also available online at Bit.ly/ValpoForAllGenerations. Valpo for All Generations includes upgrades to legacy parks, an Adult Center for Enrichment (ACE) and Valparaiso's Next Generation Skate Park.

Additional opportunities to view plans for the Sports & Recreation Campus in person will be on October 13 at the 4:00 pm Valparaiso Redevelopment Commission Meeting (City Hall), October 24 at the 6:00 pm Valparaiso City Council meeting (City Hall) and October 25 at the 6:00 pm Valpo Park Board meeting (1155 Sheffield Dr.).
