NOW, THEREFORE, BE IT RESOLVED by the City of Valparaiso, Indiana, Redevelopment Commission as follows:

1. The Plan for the Economic Development Area promotes significant opportunities for the gainful employment of the citizens of the City, will assist in attracting major new business enterprises to the City, may result in the retention or expansion of significant business enterprises existing in the City, and meets other purposes of Sections 2.5, 41 and 43 of the Act, including without limitation, benefiting the public health, safety and welfare, increasing the economic well-being of the City and the State of Indiana (the "State"), and serving to protect and increase property values in the City and the State.

2. The Plan for the Economic Development Area cannot be achieved by regulatory processes or by the ordinary operation of private enterprise without resort to the powers allowed under Sections 2.5, 41 and 43 of the Act because of lack of local public improvements, existence

of improvements or conditions that lower the value of the land below that of nearby land, or other similar conditions, including without limitation the cost of the projects contemplated by the Plan and the necessity for requiring the proper use of land so as to best serve the interests of the City and its citizens.

3. The Commission hereby finds and determines that the public health and welfare will be benefited by accomplishment of the Plan with respect to the Economic Development Area.

4. The accomplishment of the Plan for the Economic Development Area will be a public utility and benefit as measured by the attraction or retention of permanent jobs, an increase in the property tax base, improved diversity of the economic base and other similar public benefits.

5. The Commission hereby finds that the Declaratory Resolution and the Plan conform to the comprehensive plan for the City.

6. In support of the findings and determinations set forth in Sections 1 through 5 above, the Commission hereby adopts the specific findings set forth in the Plan.

7. The Department proposes to acquire the parcels of real estate identified for acquisition in the Plan and such list of parcels of real estate which may be acquired in furtherance of the Plan is hereby approved. If the Department proposes to acquire additional interests in real property in the Economic Development Area, the required procedures for amending the Plan under the Act will be followed, including notice by publication and to the affected property owners and a public hearing

8. The Commission finds that no residents of the Economic Development Area will be displaced by any project resulting from the Plan, and therefore finds that it does not need to give consideration to transitional and permanent provisions for adequate housing for the residents.

9. The Plan is hereby in all respects approved, and the secretary of the Commission is hereby directed to file a certified copy of the Plan with the minutes of this meeting.

10. The Economic Development Area is hereby designated as an "economic development area" under Section 41 of the Act.

11. The Commission hereby establishes the Program in the Economic Development Area as a component of the Plan.

12. The Commission hereby finds and determines that the public health and welfare will be benefited by the accomplishment of the Program, and the accomplishment of the Program will be of public utility and benefit as measured by: (i) the provision of adequate residential housing; (ii) an increase in the property tax base; or (iii) or similar benefits.

13. The Commission approves the Program as part of the Plan for the Economic Development Area. The Program shall not take effect until the Board of School Trustees of

Valparaiso Community Schools adopts a resolution approving the Program. The Program shall expire on the date that is twenty-five (25) years after the date on which the first obligation is incurred to pay principal and interest on bonds or lease rentals on leases payable from tax increment revenues from the Program.

14. The area as described on Exhibit A is hereby designated as the "Calkins Hill Residential Economic Development Area Allocation Area" (the "Allocation Area"). The Allocation Area is hereby designated as an allocation area pursuant to Section 39 as the same is modified by Section 56 of the Act for purposes of the allocation and distribution of property taxes on real property for the purposes and in the manner provided by said Sections. Based on an examination of the Allocation Area and information provided to the Commission, the Commission hereby specifically finds that the adoption of the allocation provision as provided herein will result in new property taxes in the Allocation Area that would not have been generated but for the adoption of the allocation provision. Any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the Allocation Area shall be allocated and distributed as follows:

Except as otherwise provided in said Sections 39 and 56, the proceeds of taxes attributable to the lesser of the assessed value of the property located in the Allocation Area for the assessment date with respect to which the allocation and distribution is made, or the base assessed value, shall be allocated to and when collected paid into the funds of the respective taxing units. Except as otherwise provided in said Sections 39 and 56, property tax proceeds in excess of those described in the previous sentence for the Allocation Area shall be allocated to the District and when collected paid into the Calkins Hill Residential Economic Development Area Allocation Area Allocation Fund (the "Allocation Fund") that may be used by the District to do one or more of the things specified in Section 56(c) of the Act, as the same may be amended from time to time, and for such other purposes as may be permitted by law. Amounts deposited into the Allocation Fund may not be used for operating expenses of the Commission. The base assessment date for the Allocation Area shall be January 1, 2020. This allocation provision shall expire on the date that is twenty-five (25) years after the date on which the first obligation is incurred to pay principal and interest on bonds or lease rentals on leases payable from tax increment revenues from the Program.

15. Except as otherwise provided in the Act, before June 15 of each year, the Commission shall take the actions set forth in Section 39(b)(4) as the same is modified by Section 56(d) of the Act with respect to the Allocation Area.

16. The parcels constituting the Economic Development Area are hereby removed from the Valparaiso Economic Development Area and related allocation area.

17. The Secretary of the Commission is directed to file a certified copy of the Plan and this Resolution with the minutes of this meeting.

18. The officers of the Commission are hereby directed to make any and all required filings and recordings with the Indiana Department of Local Government Finance, the Porter County Auditor and the Porter County Recorder in connection with the actions of the

Commission contained in this Resolution regarding the Allocation Area and the establishment of the Program.

19. The provisions of this Resolution shall be subject in all respects to the Act and any amendments thereto.

20. This Resolution, together with supporting data, shall be submitted to the Plan Commission and the Common Council of the City, as provided by Sections 16 and 53(b) of the Act, for the approval of this Resolution, the Plan and the establishment of the Program, and if approved by both bodies, this Resolution and the Plan shall be submitted to public hearing and remonstrance as proved by Section 17 of the Act, after public notice in accordance with Sections 17 and 17.5 of the Act and Indiana Code 5-3-1 and after all required filings with governmental agencies and officers have been made pursuant to Section 17(b) of the Act.

21. This Resolution shall be in full force and effect from and after its adoption by the Commission.
