FOR IMMEDIATE RELEASE: Valpo Parks Announces New Year-Round Heated Golf Hitting Facility at Creekside Golf Course & Training Center

[Valparaiso, Indiana] – [5.2.24] – Valpo Parks is thrilled to announce the construction of a brand new outdoor heated golf hitting facility at Creekside Golf Course & Training Center, thanks to a lead gift from Bender Golf. This state-of-the-art facility will replace the existing 20-year-old facility. The new facility will provide golfers of all skill levels with the opportunity to practice and improve their game year-round, regardless of the weather.

“We are incredibly excited to unveil the new hitting facility at Creekside Golf Course and Training Center,” said Beth Bowker, Business Operations Manager, Valpo Parks Golf. “The upgraded covered hitting facility will be a valuable resource for golfers in our community, allowing them to refine their skills and extend their playing season.”

The upgraded facility will feature a 170-foot-long building with twelve hitting stalls spread across six bays. This spacious design ensures ample practice space for golfers to enjoy comfortable and convenient year-round training. There will be a groundbreaking ceremony held on Thursday, July 18th with the project then scheduled for completion in Fall 2024.

“We are extremely grateful to Bender Golf for the generous lead gift,” said Kevin Nuppnau, Director of Valpo Parks. “Their commitment to the community and game of golf plays a vital role in allowing Creekside to continue offering exceptional facilities for our community.”

Want to be a part of the project? Head on over to www.valpoparksfoundation.org for more information about the campaign.

About Creekside Golf Course and Training Center

Located on the outskirts of downtown Valparaiso, this highly-rated hidden gem offers a challenging course. Creekside boasts a lighted, covered, and heated driving range, indoor simulators and hitting bays, and a clubhouse room available to rent for special occasions and meetings. Enjoy 3-Hole, 9-Hole or 12-Hole play all year long. A variety of leagues are offered for every golfer and private and group instruction is offered for all ages.
